Loyalty

Sing a song of happy days,
School days best of all.
When we sing our loyal praise,
East High we recall;
East High first,
And East High last,
East High best of all.

East High we're loyal to you;
We will give our best to you.
In all our studies and plays,
We'll be boosters for the
 Scarlet and Gray.
And when all our school days are o'er,
And the years are passing by,
We'll be happy in the mem'ries
Of our dear East High.

MINARET

1961

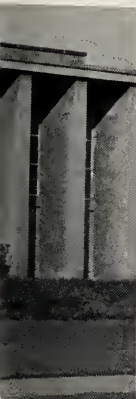

Foreword

Three very important years of our lives are spent within this beautiful building on Brittain Road.

Here we come each day, in work and in play, to take part in the exciting adventure of learning. Here, with the guidance of a dedicated faculty, we learn to love "whatsoever things are true, whatsoever things are honest, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report."

On the succeeding pages of this book are recorded some of the bright and unforgettable moments of one of these wonderful years spent at East.

East High School

Akron, Ohio

Welcome To East High

Mr. Tucker

Mr. Tucker came to East this year from Ellet where he had been principal for four years. Prior to that time, he had been assistant principal at Buchtel, and mathematics teacher and counselor at West. His experience in the Akron Public Schools totals twenty-six years.

Born in Cincinnati, Mr. Tucker moved with his family to Akron when he was in the lower grades. He was graduated from Central High School and the Ohio State University and the University of Akron. He has the degrees of Bachelor of Arts, Bachelor of Science in Education, and Master of Science in Education.

Mr. Tucker holds a Phi Beta Kappa key, and is a member of Phi Kappa Delta and Kappa Delta Phi both national educational fraternities.

His work and his home are Mr. Tucker's main interests. His family consists of a daughter who is married and a son and a daughter who attend Cuyahoga Falls High School.

Mr. Tucker's constant effort to improve the academic program of the school of which he is the principal leaves little time for leisure activities. He devotes as much time as possible to reading.

Mr. Tucker's philosophy which we readily share may be summed up as follows: "To have a school in which each pupil and each teacher is striving to achieve the best educationally."

FACULTY

The image features a minimalist, abstract design. A thick, solid black diagonal line runs from the top-left towards the bottom-right. A thin black line follows a similar path, slightly offset from the thick one. A white rectangular sign with a thin black border is positioned in the lower-middle section, tilted to match the angle of the diagonal lines. The word "FACULTY" is printed on the sign in a bold, black, sans-serif typeface.

I am Education. I bear the torch that enlightens the world, fires the imagination of man, and feeds the flames of genius. I give wings to dream and might to brawn and brain.

From out the silent shadows of the past I come, wearing the scars of struggle and the stripes of soil, but bearing in triumph the wisdom of all the ages. Man, because of me, holds dominion over earth, air, and sea; it is for him I leash the lightning, plumb the deep, and shackle the waves of ether.

I am the parent of progress, the creator of culture, and the molder of destiny. Philosophy, science, and art are my handy works. I banish ignorance, discourage vice, disarm anarchy.

Thus have I become freedom's citadel, the arm of democracy, the hope of youth, the pride of adolescence, the joy of age. Fortunate the nations and happy the homes that welcome me.

The school is my workshop; here I stir ambitions, stimulate ideals, forge the keys that open the door to opportunity, the master of human destiny. I am the source of inspiration, the aid of aspiration, for I am Irresistible Power.

Senior Class Song - 1961

Though the time has come for parting,
And the hour is drawing nigh;
Although the future lies uncertain,
Our East spirit will not die.
For at East we've gained the friendships
We will cherish through the years
And through our teachers' faithful guidance,
We will conquer all our fears.
In sports, we were great;
Our spirit, the best.
These memories will stay
With us through life's test.
Let a million miles divide us,
Let the years go rolling by,
For though the time has come for parting,
We'll remember you, East High.

Our Queen—

Homecoming Royalty - 1960

The 1960 Homecoming Dance was held on October 22 in our East High Gymnasium. Music was provided by Al Day and his five piece band. The gym was arrayed in multicolored decorations by the Activities Committee of Student Council.

The climax of the dance was at 9:30 when Queen Mary Stresnak, in a gown of glistening white, was crowned by Miss Beverly Veal, in stunning white also. The queen's attendant was Stamen Wetzel, and the crowner was escorted by Willie Reynolds.

The sophomore class chose Miss Karen Brumbaugh as their attendant; her gown was blue. She was escorted by Jim Mihal. The junior attendant was Miss Carolyn Bell, in yellow, whose escort was Frank Williams. The senior attendant was Miss Donna Drew, in lovely lavender; her escort was John Gulugian.

To Rhylis,
you and I have been friends for many years. I know that I will never forget the good times and fun we had together. We have our differences but friendships always wins over. I hope that as we graduate to go into the future you will remember me as I am sure I will remember you. I also truly wish you the best of luck.
your friend forever
Cathy Ellen Rains

We would like to take this opportunity of thanking all those who have helped to make this 1961 year book possible. First of all, a special thanks to Mrs. McLeland, our advisor, for her patience and guidance—for the many hours she generously gave to make this publication possible.

Thanks, too, to Mr. Mendelson, our photographer, and to Mr. Leahy, our representative from the Myers Year Book Company.

We are grateful also to the faculty, and you, the students who cooperated so well with photographers, and with our sales drive.

We hope that you will appreciate the time and effort that has been put into the Minaret for you—that in the years ahead, this book will bring back many happy memories of your years spent at East.

Best wishes,
The Minaret Staff.
